With the consent of the Government of India, THE GOVERNMENT OF HIS HIGHNESS THE MAHA RAJA of Mysore is prepared to receive tenders for a Debenture Loan of (Rs. 20,00,000) Twenty Lakhs of Rupees on the security of the General Revenues of the Mysore Province. The amount of the loan is to be expended entirely on the construction of an important line of Railway from Bangalore to Tiptúr, a distance of about 85 miles.

2. Debentures will be issued for the said amount bearing interest at the rate of five per cent per annum, payable half-yearly on the 15th February and 15th August of each year and having a currency of twenty years. The interest will be payable at any of the Government Treasuries of the Mysore Province or at the Banks of Bengal, Madras or Bombay and their Branches.

3. The form of Debenture Bonds will be that given below. Each Debenture will be issued for the sum of Rs. (500) five hundred, or some multiple of Rs. 500.

4. Tenders for the whole or any part of the above named sum of Rs. (20,00,000) twenty lakhs will be received by the Comptroller to the Mysore Government at Bangalore up to noon on the 1st July 1882.

5. Each tender should be in the form hereto annexed, and enclosed in a sealed cover superscribed "Tender for the Mysore Railway Loan of 1882," and sent to the Comptroller to the Government of Mysore at Bangalore.

6. The tenders will be opened at the Dewan's Office at Bangalore in the presence of the Dewan and other members of the Mysore Government on the 1st July 1882 at noon, a minimum rate having first been fixed by the Dewan.

7. Each tender must be accompanied by the deposit of a sum equal to 2 per cent of the amount tendered. Such deposit may be made by paying the amount to the credit of the Dewan of Mysore at the Banks of Bengal, Madras and Bombay, or at any of their Branches, or at any of the Treasuries of the Mysore Government, and forwarding with the tender the receipt of such Bank or Treasury, or by a Money Order payable to the Dewan of Mysore, or by Government of India Promissory Notes duly endorsed in favor of the Dewan of Mysore.

8. If the tender be accepted either in whole or in part, the deposit made will be taken in part payment, and the tenderer must arrange for the payment of the remainder of the amount of the Loan allotted to him on or before the 15th August 1882 into any of the Treasuries of the Mysore Government, or into the Banks of Bengal, Madras or Bombay or any of their Branches to the credit of the Dewan of Mysore, failing which the deposit made will be forfeited.

9. Debentures will be issued as soon as possible after receipt of the amount of allotment.

10. The deposit on tenders which may not be accepted will be returned on application.

11. In the case of two or more tenders at the same rate (not being below the minimum), a *pro rata* allotment will, if necessary, be made.

12. The rate stated in a tender must not contain any fraction of an anna; if a rate containing a fraction of an anna is inserted in any tender, such fraction will be struck out, and the tender treated as if the rate did not contain such fraction of an anna.

13. In order to avoid mistakes, a separate tender must be made at each rate tendered, and a separate deposit must accompany each tender.

14 The annual revenues of the Mysore Province amount at present to Rs. 1,06,00,000 (one hundred and six lakhs of Rupees), and are expected to yield an annual surplus of five lakhs after defraying all charges and providing for repayments on account of the Famine Loan due to the Government of India.

15. Arrangements will be made for securing negotiability to the Debentures in British India free of stamp duty.
